5. DEFINITIONS

- **Capstone Project Group**

A group of students enrolled in the same program collaborate on a capstone project that addresses a particular issue or topic.

6. RESPONSIBILITIES

- **Academic Head/Program Head**

The Academic Head/Program Head must perform the following duties and responsibilities:

- Ensures that the conduct of the Capstone Project 1 and 2 courses is implemented in accordance with this guideline;
- Recognizes the achievements of the students through having an innovative and creative output and;
- Prepares the Panel Honoraria.

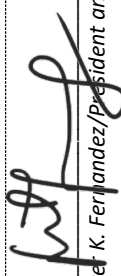

- **Capstone Project Adviser**

The Capstone Project Adviser must perform the following duties and responsibilities:

- Guides the Capstone Project Groups in developing their capstone project;
- Meets the Capstone Project Groups weekly for consultation;
- Guides the Capstone Project Groups with the research process and provides continuing feedback on the students' development of the capstone project;
- Provides input on the intellectual appropriateness of the proposed activities toward completing the capstone project;
- May schedule mock defense to determine the readiness of the Capstone Project Groups for the proposal defense and final defense;
- Reviews all pertinent documentation and output/project in adherence to the capstone project requirements and;
- Checks the acceptability of the Capstone Project Proposal for Capstone Project 1 and Capstone Project Manuscript for Capstone Project 2 for the proposal/final defense.
- Approves the Capstone Project Proposal for Capstone Project 1 and the manuscript for Capstone Project 2.

To perform the abovementioned responsibilities, the Capstone Project Adviser must meet the following qualifications:

- Have a baccalaureate degree relevant to the program;
- With a Master's degree;
- Full-time (Permanent, Probationary, or Part-time Full-load) faculty classification; and
- With any of the following qualifications:

Peter K. Fernandez/President and COO

Approved by:

Ferdie T. Dantes/AVP-Academics

Endorsed by:

Ferdie R. Ortega/A&S CD Head

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	6 of 22
SUBJECT: BMMA Capstone Project Guideline			

- With at least two (2) years of industry experience aligned to the discipline or capstone project
- With industry/faculty certification/s relevant to the discipline

- **Capstone Project Coordinator**

The Capstone Project Coordinator must perform the following duties and responsibilities:

- Ensures that the activities and requirements mentioned in this guideline and courseware are delivered and implemented;
- Focuses on the administrative functions of running the Capstone Project;
- Handles the entire batch of students enrolled in Capstone Project 1 and Capstone Project 2 courses;
- Ensures that Capstone Project Advisers are assigned to a Capstone Project Group according to their area of specialization;
- Consolidates the accomplished **BMMA Capstone Project Consultation Forms**;
- Ensures that the assignment of the panel members during the proposal defense and final defense is based on the qualifications listed in this guideline;
- Ensures that the schedules and activities during proposal defense, final defense, and re-defense are strictly complied with.
- Encodes the approved grades in the STI Enrollment System;
- Prepares the budget for the final defense; and
- Consolidates all capstone projects and saves the soft copies in the official STI Research Outputs online library.

To perform the abovementioned responsibilities, the Capstone Project Coordinator must meet the following qualifications:

- Have a baccalaureate degree relevant to the program;
- Full-time (Permanent, Probationary, or Part-time Full-load) faculty classification; and
- With experience in Capstone Project development/implementation.

- **Capstone Project Defense Panel**

The members of the capstone panel perform the following duties and responsibilities:

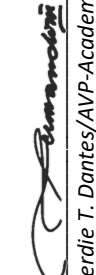

- Objectively evaluates the Capstone Project proposal and output of the group; and
- Contributes positively to the defense exercise by asking pertinent questions that would clarify and assess the knowledge of the Capstone Project Group on the topic of their study and the production of their output.

7. EQUIPMENT AND TOOLS

- Computer
- MS Office Application
- Internet

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	7 of 22
SUBJECT: BMMA Capstone Project Guideline			

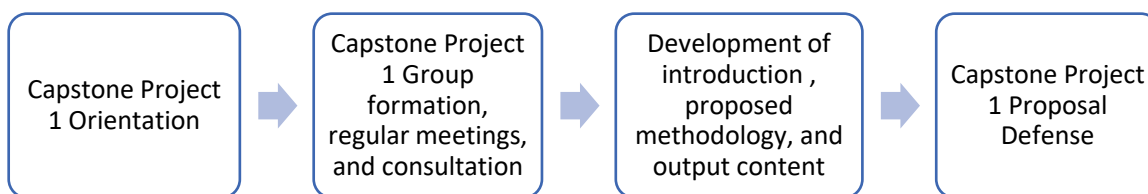

8. GUIDELINES

8.1 Capstone Project Overview

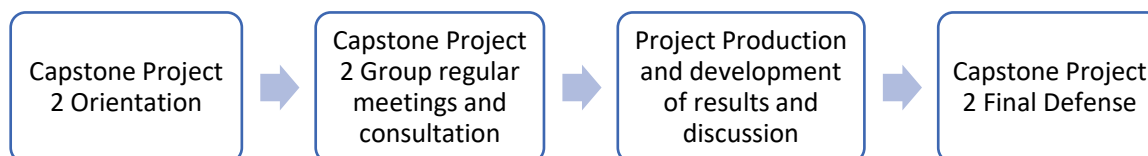

- The Capstone Project is a (6) six-unit course that provides the opportunity to demonstrate a student's ability to apply knowledge and skills learned throughout their program to solve a real-world problem. A Capstone Project may be any of the following: a) a multimedia project where the student proponents play a major role in the technical and creative aspect of the production; b) multimedia training and instructional modules; c) a multimedia communication plan; or any similar project approved by the Capstone Project Adviser.

8.2 Process Flow Diagram

Below are the four (4) phases of the **Capstone Project 1** course.

Below are the four (4) phases of the **Capstone Project 2** course.

8.3 Capstone Project Orientation

- The Capstone Project Coordinator conducts orientation during the first week of the term. It serves as a springboard for the students in setting their expectations, work goals, and schedule of activities.
- The following items must be discussed during the orientation:
 - Capstone Project Guideline
 - Schedule of Activities

Capstone Project 1 Schedule of Activities

Activities	Schedule	Persons Involved	Expected Output
Capstone Project 1 Orientation;	Week 1	Capstone Project Coordinator	Awareness of the Capstone Project Guideline

...

SUBJECT: BMMA Capstone Project Guideline			

- Pass the proposal defense, final defense, and Capstone Project paper/manuscript with output
- Submission of Peer Evaluation Form for Capstone Projects 1 and 2
- e. Grading System
- f. Formation of Groups
 - A Capstone Project Group shall comprise a minimum of four (4) and a maximum of five (5) members.
 - A Capstone Project Group with more than five (5) members shall not be allowed.

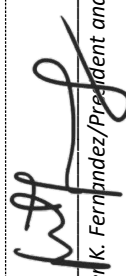

8.4 Capstone Project Proposal and Final Defense Panel

1. Below is the composition of the defense panel.

Proposal/Final Defense Panel	• One (1) lead panelist from the school's program department or another STI campus • Two (2) Panel Members: from the industry, a faculty member from the program department, or a faculty member from another STI campus/educational institution
------------------------------	---

2. Below are the qualifications and tasks of the lead panelist and the panel members.

Defense Panelist	Qualifications and Tasks
Lead Panelist	<i>Qualifications</i> • Baccalaureate degree in Multimedia Arts, Communications, Fine Arts, Advertising, Film, Broadcast Communication, or other related disciplines • With at least a Master's Degree (with capstone project/research/thesis) that is aligned with the discipline or capstone project topic • Any of the following qualifications: ○ With at least two (2) years of industry experience aligned to the discipline or capstone project of students ○ With industry/faculty certification/s relevant to the discipline or capstone project <i>Tasks</i> • Leads the assessment of the quality of the capstone project by asking questions that would clarify and evaluate the students' knowledge of their chosen capstone project topic. • Promotes and exhibits unbiased behavior deemed appropriate and consistent with any academic exercise.

Peter K. Fernandez/President and COO

Approved by:

Ferdie T. Dantes/AVP-Academics

Endorsed by:

Ferdie R. Ortega/A&S CD Head

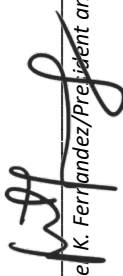

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	11 of 22
SUBJECT: BMMA Capstone Project Guideline			

Defense Panelist	Qualifications and Tasks
	- Reads the verdict and signs the Capstone Project Proposal/Final Defense Evaluation Form. - Vetoes the decision of panel members whenever necessary. - Submits a copy of the consolidated grades and recommendation sheets to the Capstone Project Coordinator right after the proposal defense and final defense. - Recommends the best Capstone 2 project output.
Panel Members	<u>Qualifications</u> <u>Faculty Members</u> - Baccalaureate degree in Multimedia Arts, Communications, Fine Arts, Advertising, Film, Broadcast Communication, or other related discipline - Any of the following: - With at least two (2) years of relevant practical experience aligned with the capstone project topic - With a Master's Degree (with capstone project/research/thesis) - With industry/faculty certification/s relevant to the discipline <u>Invited Panel Member from the Industry</u> - Baccalaureate degree in Multimedia Arts, Communications, Fine Arts, Advertising, Film, Broadcast Communication, or other related discipline - With at least two (2) years of relevant practical experience aligned with the capstone project topic <u>Tasks</u> - Evaluate the application and possible contribution of the chosen study to the multimedia, communications, and media industry - Ask questions that would clarify and evaluate the knowledge of the students in their chosen capstone topic - Deliberate the grades during defense and announce the comments and recommendations

8.5 Capstone Project Proposal and Final Defense Presentation

- The Capstone Project Coordinator endorses the Capstone Project Group for proposal defense and final defense by signing the **Endorsement Form for Proposal/Final Defense**.

Approved by: 
Pete K. Fernandez/President and COO

Approved by: 
Ferdie T. Dantes/AVP-Academics

Endorsed by: 
Ferdie R. Ortega/A&S CD Head

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	12 of 22
SUBJECT: BMMA Capstone Project Guideline			

- a. Endorsed Capstone Project Groups shall be given a schedule for the proposal defense and final defense
 - b. Unendorsed Capstone Project Groups shall be graded as **FAILED**.
2. The Capstone Project Coordinator schedules and facilitates the proposal defense, final defense, and re-defense. S/He ensures that the schedules and activities during the proposal defense, final defense, and re-defense are strictly complied with.
3. All members of the Capstone Project Group must be present in the defense venue within 15 minutes of the scheduled defense. If a member of the Capstone Project Group is absent, the scheduled defense will carry on with the present group members. Any member who fails to attend the final defense will receive a **FAILED** grade for the course.
4. The proposal defense and final defense shall take a maximum of two (2) hours, broken down as follows:

Activity	Max Time	Responsible Party
Presentation of Capstone Project	60 minutes	Students
Question and Answer	30 minutes	Panelists and Students
Deliberation of Verdict	20 minutes	Panelists and Capstone Project Adviser
Announcement of Verdict	10 minutes	Panelists

5. After the presentation, the defense panel questions the Capstone Project Group. The Capstone Project Adviser **CANNOT** answer questions the defense panel raises unless requested.
6. After the question and answer, the Capstone Project Group will be asked to step out of the room as the defense panelists evaluate and then deliberate the verdict of the capstone project.
7. During deliberation, the Capstone Project Adviser may clarify issues, concerns, remarks, or recommendations from the defense panel. As such, The Capstone Project Advisers should write the revisions, suggestions, or comments identified and must discuss them with their advisee after the defense.
8. The Capstone Project Panel accomplishes the **Capstone Project Proposal/Final Defense Evaluation Form**. The panelists are responsible for determining the acceptability of the project content and research and suggesting revisions to make the output acceptable.
9. Once a decision is made, the Capstone Project Group will be called upon to hear the verdict. The verdict of the defense panelists is **final**.
10. During re-defense, only the revisions listed must be checked and evaluated. Thus, all possible corrections or modifications must be identified at the beginning of the defense.
11. The proposal defense panel's job is to determine the proposal's acceptability and suggest revisions to make the Capstone Project Proposal acceptable.

Peter K. Fernandez/President and COO

Approved by:

Ferdie T. Dantes/AVP-Academics

Endorsed by:

Ferdie R. Ortega/A&S CD Head

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	13 of 22
SUBJECT: BMMA Capstone Project Guideline			

12. The Groups must give their finished working output/prototype and a hard or soft copy of their paper one (1) week before the **final** defense. For **proposal** defense, groups should give their proposal paper one (1) week before the proposal defense date. It will be forwarded to the panel so they can have enough time to review it.

13. Below are the tasks for the proposal and final defense.

Proposal Defense (Capstone 1)	Final Defense (Capstone 2)
The Capstone Project Groups should emphasize the following during the proposal presentation: Chapter I: Introduction A. Project Context B. Capstone Project Questions C. Objectives of the Project D. Scope, Limitations, and Delimitations of the Project E. Review of Related Literature F. Theoretical/Conceptual Framework Chapter II: Methodology A. Proposed Methodology B. Calendar of Activities C. Resources Chosen Medium Project and Content Development Brief of the chosen medium	The Capstone Project Groups should emphasize the following during the proposal presentation: Chapter III: Results Chapter IV: Discussion Project Prototype/Output

14. The Capstone Project Groups can wear **school uniforms** during the **proposal defense**.

15. The Capstone Project Groups should be in **corporate or business attire** during the **final defense**.

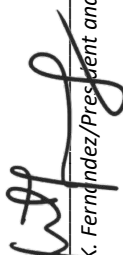

16. The Capstone Project Group defends its manuscript and product/prototype before a defense panel.

17. The invited panel member from the industry is the only one allowed to attend the final defense via MS Teams in case of difficulty traveling to the school. The school shall prepare the necessary resources for the online paneling.

18. It is the panelists' responsibility to determine the capstone project's acceptability and suggest revisions to make the output acceptable.

8.6 Capstone Project Development

1. The Capstone Project Adviser meets the Capstone Project Group for at least one (1) hour weekly consultation.

Approved by: 
Peter K. Fernandez/President and COO

Approved by:

Ferdie T. Dantes/AVP-Academics

Endorsed by:

Ferdie R. Ortega/A&S CD Head

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	14 of 22
SUBJECT: BMMA Capstone Project Guideline			

2. The Capstone Project Coordinator shall allocate at least three (3) hours per week during the term to coordinate defense schedules, manage administrative processes, and ensure smooth interactions among research groups, advisers, and panelists.
3. The Capstone Project Groups must complete the **Capstone Project Consultation Form** and have it signed by the Capstone Project Adviser to be submitted to the Capstone Project Coordinator during their proposal/final defense or re-defense.
4. The Capstone Project Groups may consult with third-party field experts and others who may contribute to the group members' learning.
5. The Capstone Project Group may seek the services or advice of qualified professionals/field experts, namely:
 - a statistician, specifically for quantitative research, to validate statistical tools used in their study and analyze and interpret gathered data;
 - a grammarian or proofreader to proofread their research, whether quantitative or qualitative, and
 - Industry practitioner/s for advice and validation of the content that will be produced for the project.

Any expense related to such consultations shall be at the sole cost of the Capstone Project Group.

6. The qualified professionals consulted by the Capstone Project Groups may input their feedback and approval of the capstone in the **Capstone Project Consultation Form**.
7. The Capstone Project Coordinator prepares the schedule of the defense.

8.7 Deliberation and Announcement of Verdict

1. During deliberation, the defense panel evaluates and then deliberates the verdict of the capstone project.
2. The defense panel's verdict is **final**. The lead panelist may veto the decision whenever necessary.
3. A Capstone Project Group may get any of the following verdicts in the proposal and final defense using the **Capstone Project Defense Evaluation Form**:

Proposal Defense	
Verdict	Description
Pass	• Demonstrates a comprehensive understanding of the project and its potential impact • Essential parts, including the Introduction, Literature Review, Methodology, and Content and Development Brief, were present, thoroughly discussed, and justified correctly. • Proper citation and documentation format with appearance, font, spacing, margins, etc.

Peter K. Fernandez/President and COO

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	15 of 22
SUBJECT: BMMA Capstone Project Guideline			

Proposal Defense	
Verdict	Description
Pass with Minor Revisions	- Shows potential but requires minor adjustments or clarifications to enhance its clarity and feasibility - Essential parts, such as but not limited to the Introduction, Literature Review, Methodology, and Content and Development Brief, are present but lack explicit discussion. - Improper citation. - Improper documentation format with appearance, font, spacing, margins, etc.
Pass with Major Revisions	At least one (1) of the following: - Objectives meet the Capstone Project Questions' requirements but lack explicit discussion or clarification. - Scope, Limitations, and Delimitations were discussed but lacked a detailed discussion of coverage and restrictions of the study.
Re-defense	At least two (2) of the following: - Objectives meet the Capstone Project Questions' requirements but lack explicit discussion or clarification. - Scope, Limitations, and Delimitations were discussed but lacked a detailed discussion of coverage and restrictions of the study. - Insufficient Literature Review.
Failed	- No show during defense, or - The Capstone Project Adviser did not endorse the Capstone Project Group, or - At least (3) of the following: - The proposed capstone project output does not meet the requirement of the Capstone Project Questions. - Objectives were misaligned with Capstone Project Questions. - Objectives were not stated, not measurable, not realistic, and not time-bound. - Scope, Limitations, and Delimitations do not discuss detailed coverage and restrictions of the study. - The methodology is not appropriate for the project. - Incomplete documentation of the project.

Peter K. Fernandez/President and COO

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	16 of 22
SUBJECT: BMMA Capstone Project Guideline			

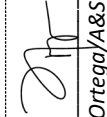

Final Defense	
Verdict	Description
Pass	- Successfully completed the project, meeting all project objectives and demonstrating high multimedia skills. - Essential parts such as the Introduction, Literature Review, Methodology, Results, and Conclusion and Content and Development Brief were present, thoroughly discussed, and justified correctly. - Proper citation and documentation format with appearance, font, spacing, margins, etc. - Capstone Project Output was present and relevant to the project requirements.
Pass with Minor Revisions	- The project demonstrates a satisfactory level of achievement but requires minor adjustments. - Essential parts such as but not limited to Introduction, Literature Review, Methodology, Results and Discussion, and Content and Development Brief are present but lack explicit discussion. - Improper citation. - Improper documentation format with appearance, font, spacing, margins, etc.
Pass with Major Revisions	At least one (1) of the following: - Objectives meet the Capstone Project Questions' requirements but lack explicit discussion or clarification. - Scope, Limitations, and Delimitations were discussed but lacked a detailed discussion of coverage and restrictions of the study. - Results were discussed but lacked explicit explanation. Conclusions and Recommendations lack explicit explanation.
Re-demonstration	The Capstone Project meets all requirements but requires revisions on the final output.
Re-defense	At least two (2) of the following: - Objectives meet the Capstone Project Questions' requirements but lack explicit discussion or clarification. - Scope, Limitations, and Delimitations were discussed but lacked a detailed discussion of coverage and restrictions of the study. - The methodology was appropriate for the project but lacked explicit discussion. - Results were discussed but lacked explicit explanation. - Conclusions and Recommendations lack explicit explanation.

Ferdie R. Ortega/A&S CD Head

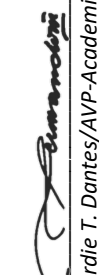

Prepared by:

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	17 of 22
SUBJECT: BMMA Capstone Project Guideline			

Final Defense	
Verdict	Description
Failed	1. No show during defense, or 2. The Capstone Project Adviser did not endorse the Capstone Project Group, or 3. At least three (3) of the following: • The capstone project output does not meet the requirement of the Capstone Project Questions. • Objectives were misaligned with Capstone Project Questions. • Objectives were not stated, not measurable, not realistic, and not time-bound. • Scopes, Limitations, and Delimitations do not discuss detailed coverage and restrictions of the study. • Results were not explicitly discussed. • Conclusions and Recommendations are inappropriate, misleading, or misjudged. • Incomplete documentation of the project.

4. Should the Capstone Project Group receive a *Pass with Revisions/Redemonstration* verdict, they shall be given a maximum revision period of five (5) calendar days after the final defense date.
5. Should the Capstone Project Group receive a *Re-defense* verdict, they shall be given a maximum revision period of seven (7) calendar days after the final defense date.
6. The Capstone Project defense panelists, Coordinator, and Program Head, sign the **Capstone Project Approval Sheet** -of those who passed the proposal defense and final defense.
7. The Capstone Project Group members sign the **Capstone Project Defense Evaluation Form**. It signifies that the Capstone Project Group agrees with the verdict and must comply with the revisions enumerated in the form. The Capstone Project Group shall receive a failing mark for non-compliance with the evaluation form.
8. The verdict must be clear to the Capstone Project Group, including all revisions to the capstone project. The Capstone Project Adviser shall discuss the revisions, suggestions, or comments with the Capstone Project Group.
9. If an agreement cannot be reached between the defense panel and the Capstone Project Group regarding the verdict, the following should be done:
 - a. The defense panel shall write a note in the Capstone Project Defense Evaluation Form that the Capstone Project Group is appealing the verdict.
 - b. The Capstone Project Group can appeal the verdict by submitting a formal letter to the Capstone Project Coordinator duly endorsed by the Capstone Project Adviser.

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	19 of 22
SUBJECT: BMMA Capstone Project Guideline			

a. Performance of assigned tasks	20%
b. Submission of requirements	80%

***Note: Failure in the defense means failure in the course.**

2. The following are the final defense evaluation criteria:

Criteria	Components	Rating Scale
1. Group Grade (60%) <i>Capstone Project Groups will be evaluated and given points using the rating scale.</i>	a. Capstone Project Manuscript b. Oral Defense Presentation	4 – Excellent 3 – Exceeds expectations 2 – Meets minimum requirements 1 – Meets expectations sometimes 0 – Does not meet expectations
2. Individual Grade (40%) <i>Capstone Project Group Members will be evaluated and given points using the rating scale.</i>	c. Communication Skills d. Work Organization e. Effectiveness	

- The defense panel accomplishes the **BMMA Capstone Project Defense Evaluation Form**.
- The Capstone Project Coordinator encodes the official grades using the **BMMA Capstone Project Defense Grade Template**. Afterward, grades are forwarded to the Program Head and Academic Head for review and approval.
- The Capstone Project Coordinator encodes the approved grades in the STI Enrollment System.

3. The following are the possible grades of the students during the final defense:

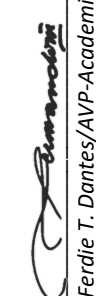

Grade	Evaluation Raw Score	Verdict
1.00	98 – 100	Pass
1.25	95 – 97	Pass with Minor/Major Revision/ Redemonstration
1.50	92 – 94	
1.75	89 – 91	
2.00	86 – 88	
2.25	83 – 85	
2.50	80 – 82	
2.75	77 – 79	
3.00	75 – 76	
Re-defense After re-defense, students' grade is either: Passed (3.00) or Failed (5.00)		
5.00	<75	Failed

4. A Capstone Project Group **not endorsed** by their Capstone Project Adviser shall receive a Failed verdict.

8.3. A Capstone Project Group shall receive a Failed Grade (5.00) if they fail the Re-defense.

8.10 Proposal and Final Defense Fees

Proposal Defense Fees

- The capstone proposal defense panel shall be remunerated as follows:

Panelist's Fee (per group paneled)	PhP400.00
------------------------------------	-----------

* *Gross Pay*

Final Defense Fees

The succeeding provisions apply to Final Defense only.

- The capstone final defense panel shall be remunerated as follows for the final defense and possible re-defense:

Panelists	Fee per group paneled
* Local Lead Panel and Panel Member	PhP600.00
** Invited Lead Panel (from other STI campus)	PhP777.78
** Invited Panel Member (from the industry)	PhP1,333.33

* *Gross Pay*

** *Gross-up amount inclusive of compensation tax*

- Inviting panelists that will require hotel accommodation and air or sea fare is **NOT ALLOWED**.
- The incidental fee shall be limited to the following:
 - Materials used during the Capstone Project Final Defense
 - Food allowance for the Capstone Project Defense Panelists (per head):
 - Meal – PhP 150.00
 - Snacks – PhP 75.00
- Below is a sample computation in determining the final defense fee per group and student.

Step 1: Compute the incidental fee.

$$\text{Incidental Fee Per Group} = \frac{\text{Total amount of incidental fee}}{\text{Total number of groups who will defend their capstone}}$$

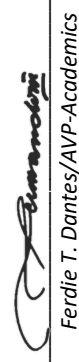

Food for the Capstone Panelists	PhP1,350.00
- Meal: PhP150 x 3 = PhP450.00 - Snacks: PhP75 x 3 = PhP225.00	
Materials used during final defense	500.00
Total	PhP1,850.00

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	21 of 22
SUBJECT: BMMA Capstone Project Guideline			

Total number of groups who will defend their capstone: 5 groups

$$\text{Incidental Fee Per Group} = \frac{\text{PhP1,850}}{5} = \text{PhP370.00}$$

Step 2: Compute the final defense fee. The members of a Capstone Project Group must divide the final defense fee among themselves.

$$\text{Final Defense Fee per Student} = \frac{\text{Panel lead fee} + \text{Panel members fee (x2)} + \text{Incidental fee}}{\text{Number of students per Capstone Project Group}}$$

For a Capstone Project Group with four (4) members:

Panel Lead Fee	PhP600.00
Local Panel Member Fee	PhP600.00
Invited Panel Member Fee	PhP1,333.33
Incidental Fee per Group	PhP370.00
Total Final Defense Fee per Capstone Project Group	PhP2,903.33
Final Defense Fee per Capstone Project Member	PhP725.83

- The defense fees must be collected separately from each group enrolled in the **Capstone Project 1 & 2** courses under the BMMA program.
- Imposition of handling administrative fees or charges in whatever amount on top of the final defense fee is **STRICTLY PROHIBITED**.
- Only endorsed Capstone Project Groups must pay the Defense Fee before their scheduled defense through the school's cashier.
- The Capstone Project Panelists shall receive their paneling fee within one (1) month after the regular Capstone Project Final Defense. The honoraria for the invited panelist must be given right after the final defense.
- Faculty members are only allowed to sit down as Capstone Project Defense Panelists outside their official reporting time to avoid disruption of classes.
- Food, gifts, and tokens of appreciation, willfully provided by the students or not, to the defense panel are **STRICTLY PROHIBITED**.

8.11 Remuneration

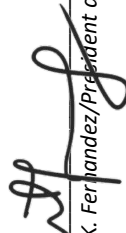

- Below is the gross pay of the Capstone Project Adviser:

Capstone Project Adviser	PhP625.00/Student per Term
--------------------------	----------------------------

8.4. The Capstone Project Adviser's fee is fixed and is already covered by the three (3) units of tuition (three (3) units each for Capstone Project 1 and Capstone Project 2 collected from the students.

- The Capstone Project Advisers shall receive their honoraria at the end of the semester after all grades and other deliverables have been submitted and acknowledged by their Program Head or Academic Head.

ACADEMIC CONTENT DEVELOPMENT	DOCUMENT NO. GU-CRD-032-03	EFFECTIVITY DATE August 12, 2024	22 of 22
SUBJECT: BMMA Capstone Project Guideline			

3. Upon completion of the term, Capstone Project Coordinators shall receive an honorarium. It does not apply to members of the Academic Management team, as this forms part of their monthly honoraria. The honorarium shall be computed as equivalent to a 3-unit overload payment for a faculty member. Disbursement of the honorarium is contingent upon the fulfillment of all grading requirements.

8.12 Appointment of the Capstone Project Coordinator

1. The appointment of a Capstone Project Coordinator is warranted when a course or group of courses from allied programs enroll 20 or more Capstone Project Groups. If the course has fewer than 20 groups, the Program Head or Academic Head shall be responsible.
- 8.5.** A single Capstone Project Coordinator may oversee allied programs (e.g., Bachelor in Multimedia Arts, BA in Communication Arts, BS in Information Technology, BS in Information Systems, BS in Computer Science).
2. The Capstone Project courses shall not be allocated teaching load equivalency. However, they may be incorporated into the Capstone Project Coordinator's administrative hours.

8.13 Budget Preparation Procedure

- 8.6.** The Capstone Project Coordinator lists all final defense expenses and their corresponding amount and has it reviewed and endorsed by the Program Head and Academic Head to the School/Deputy School Administrator. Following the applicable budget preparation procedure, this must be submitted to the school accounting two (2) weeks after the Capstone Project 1 and 2 Orientation schedule.
1. The Capstone Project Coordinator advises the students to pay the final defense fee to the school's cashier at least a week before the first day of the final defense.
